

### Recommendation from Oaknoll for Greg Warren

Greg performed for about 100 Oaknoll residents at our retirement community. This was the first time that we've had a comedian as part of our programming. Our residents loved it! Greg had them laughing the entire time he was on.

As sponsors of the event, we especially appreciated how "clean" he was - hilarious without being vulgar in any way. He related so well to our older audience. Greg's stories are funny whether you're 15 or 95. We would definitely like to have him return to Oaknoll for another show.
