Greg,

It was a pleasure to have you at our annual retreat last week, we were initially uncertain how a comic would be received at this team building event and are so pleased with the outcome. The agents absolutely loved the entire presentation and to be sure, enjoyed taking the opportunity to simply relax.

From the management standpoint, I appreciated a clean and structured show, providing plenty of laughs and not offensive to any. Our group comes with a wide range of diversity, so this is not always an easy task.

We have, in the past, had a variety of entertainment; By far, your program was the most widely praised of them all, with a clamoring for a repeat performance next year.

Again, my thanks. I look forward to doing business with you again.

Sincerely,
