To Whom It May Concern:

This is a letter of recommendation for comedian Greg Warren. I met Greg a year ago when a mutual acquaintance informed me of Greg's interest in getting involved with our organization. I immediately googled his name and was awed by the stand-up comedy examples on his website.

After meeting Greg in person, we invited him to perform at our annual Living Out Loud Gala & Auction. This event is our largest fundraiser of the year and we were looking to add an entertainment component, something unique that the guests would remember. We really hit the jackpot with Greg! He had the room packed with 350 guests laughing for 45 minutes. His comedy act was tasteful and hysterical, completely catered to our crowd. Greg was a huge hit and really contributed to the success of our event. It was memorable for all who had the pleasure of attending.

I enthusiastically would recommend Greg to perform his stand-up comedy or serve as a keynote for any type of event large or small. You won't be disappointed.

I am happy to furnish more details if you would like additional information.

Best,
