Dear Future Clients of Greg Warren,

We made a great decision for our annual national convention this year in contracting with Greg Warren to perform during our opening night. Often, the opening night can be a bit stiff and Greg did a great job of loosening up the crowd and setting a great tone for the rest of our 4-day convention.

Our group was around 800 in number and ages ranged from early twenties to late seventies. It was observed that young and old found Greg's material entertaining. He was professional and very easy to work with.

We'd certainly recommend utilizing his skills to any organization that is looking for a comedian that has solid material, great timing and all around entertaining.

Sincerely,
