Dear Greg,
Sincerely yours,

On behalf of the AWL Board of Directors and the employees of AWL, we sincerely thank you for making our Comedy Night fund raiser a big success. We have heard nothing but positive comments from those attending who enjoyed a great evening of banter and laughter. It was a delight to have a program that even teenagers and grandmothers could attend and not be embarrassed.

Our Comedy Night has been a good fund raiser for AWL for many years and we anticipate continuing that tradition. We will be in touch with you in the coming year to discuss dates that may work for both of us in the fall.

Laughing with appreciation,

Sam Hildebrand
