Future Clients of Greg Warren

The Mississippi Trucking Association arranged to have Greg speak at our 2019 annual conference. We could not have been more pleased with his message! He had the tough task of following two hours of business sessions and annual updates regarding our industry. It only took a moment and he had the crowd laughing and light-hearted!

Greg was the perfect ending to our conference. He got glowing comments and a very high score on our post event survey from the attendees.

I would not hesitate to recommend him to anyone considering him as a speaker. He was great!

Hal Miller, President  
Mississippi Trucking Association
