To whom it may concern;

The Idaho Farm Bureau Federation had the privilege of having Greg Warren entertain our members at our 83rd Annual Convention. Greg was very engaging and had our members laughing from beginning to end.

Our planning committee wanted a comedian and assigned me the task of finding one who would perform a clean and entertaining show. Needless to say, I was very nervous with this assignment. Greg delivered on all levels! He related well with our farmers and ranchers. While he was performing, I looked around and everyone was laughing and having a great time!

I would recommend Greg Warren to any group who would want to hire a comedian, especially any Farm Bureau. He was engaged with our members before and after the show as well. If you have any questions about Idaho Farm Bureau's experience with Greg Warren, please feel free to contact me.
