Bozeman, MT 59718

December 14, 2022

To whom it may concern:

Montana Farm Bureau Federation recently hired comedian, Greg Waren. Greg was a perfect fit for the Montana Farm Bureau Annual Convention Banquet. His humor touches on the agriculture industry from the outside looking in and our members were constantly laughing. We also appreciated that he was easy to work with leading up to the event. We would recommend him!

Sincerely,  
Alena Standley, MFBF Director of Events
