Topic: Endorsement of Comedian Greg Warren

Greg Warren recently performed for our company in January 2023 and provided wonderful, clean, hilarious, and memorable comedy entertainment for our assembled group of 175 customers and guests. His performance provided a lighthearted touch to wrap up our day long dealer meetings and dinner that was thoroughly enjoyed by everyone in the room, many of whom left complaining about side aches from laughing so hard!

It was truly a pleasure and honor to have Greg perform for our group as his insights, humility, and style, along with his adaptation to our HVAC contractors in the audience, was spot on and made for a very humorous evening. We have received many glowing comments about his content being so relevant and accurate to the Midwest blue collar industry.

If you oversee hiring entertainment for an upcoming event, you will become a hero within your company or organization by selecting Greg Warren. Without hesitation we would highly recommend Greg to any organization interested in bonding with your customers or audience through the power of laughter and goodwill.
