Re: Greg Warren-Speaker/Comedian

To whom it may concern:

As a result of the pressures and tensions created by COVID-19, I was looking for a special presenter for our annual In-service. To complicate matters, our 2020 In-service would be held via Zoom. A comedian seemed like an appealing way to cap off hours of policy and procedure discussions. I was so grateful when Greg Warren agreed to Zoom in on our program. He was just the ticket to end the program on a high note of laughter and team building. His professional approach and subtle personal touches were well received by our staff.

Sincerely,
